### TEMPE

The sugar beet factory is assured. Those who are furthering the sugar beet industry are more than gratified with the results obtained. The farmers are beginning to realize the immense benefit to be derived from a sugar beet factory in this valley. The meeting held yesterday at Odd Fellows' hall was well attended. What was more to the point, many of the farmers were ready to do business and a number of the contracts were signed. A few figures (being the average) of results obtained from seventeen different plots planted in different soils will answer many of the questions arising in the farmer's mind. The following is taken from the twelfth annual report for the year ending June 30, 1901, of the Arizona agricultural station, Tucson: The average result, 17½ per cent saccharine, 82 purity, and 19.3-10 tons per acre, amounting to 5,211 pounds of sugar. Per acre this is above the United States at large and ought to be a source of encouragement to any rancher who is interested in helping the sugar beet industry. The following figures show what the rancher would obtain from beets containing 17½ per cent saccharine. The company pays \$1 per ton; 19.3-10 tons would show a gross return to the rancher of \$7 per acre, from which deduct \$39 for cultivation, etc., which would leave a net profit to the farmer of \$47 per acre. These latter figures are compiled from the average taken on returns from twenty-two different plots planted in different soils. Special—Ladies' misses' gents' gloves. Ladies' kid, 75c and \$1. worth 40 per cent more money. New York Store, Tempe.

Rauer's Cafe has just received a basket of fine wines and liquors, 10 bottles will last for a season. This lot of wines will be raffled for a Christmas present. Tickets, 1 cent to \$1. Try a ticket, you may get the basket for 1 cent. Luck will win. Restaurant in charge of experienced German cook.

Mrs. Glover and her daughter Susan, left Tuesday, for a year's visit among their relatives in Texas and Mississippi. They will make their first stop at Lufkin, Tex., where they will visit a sister of Miss Glover's for a few days, and then will go to Red Lake, Miss., and will visit friends and relatives through Jefferson, Franklin, Amite, Lincoln, L. Lawrence and Marion counties. Mr. Glover has an interest in an estate there which she hopes to get possession of. They have lived in Arizona so long that they are much attached to this place and expect to return.

Mesa was greeted with a street show last night by the renowned medicine men and advertising specialists, Linnetter and Stewart, who rendered quite an interesting programme in the shape of gramophone selections and tricks that amused the crowd. They propose to meet again tonight in front of Barnett's drug store, and will entertain the people for one more evening only.

A. NIELSEN,  
Tempe, Ariz.

Agent for the New York Life Insurance Co.

Mr. Dwight B. Heard of Phoenix, was a business visitor in Mesa today. Mr. Heard is one of the leading real estate and money dealers on the north side, and is a man of energy and push. He has bought all of the Tempe water bonds, and is reaching out for business on the south side. He was driven out to the pumping plant of Dr. J. Z. Chandler this morning, and returned on the afternoon train to Phoenix.

Owing to sickness in the families of J. L. Waring and Cashier J. G. Spangler, the Mesa City bank was closed at noon today until Thursday at 9 a. m. Mr. Spangler's friends are watching eagerly for his appearance on the street, to see how he will stand up under the appellation of "Papa."

Mr. George Mauk has been in Mesa during the past two days listing the land under cultivation under the Mesa canal for the use of the water commission. He has just finished the listing of the land under the Tempe canal, and expects to be in Mesa and vicinity for a week.

Mr. B. C. Carlton arrived in Mesa from the north this morning, where he has been for the past several months. He expects to remain here for the next few weeks at least. He thinks Mesa and vicinity is about the prettiest place in the country. The first rehearsal of "Santitas" will be held tonight in the Mesa opera house, and will be continued until the popular play is ready for the public about the 21st.

Mr. Frazee and Johnny Comeman came down from the river this morning on business. Messrs. W. A. Kimball, David Hilbert, J. B. Jones and Charles Sellers, who were out with the Santa Fe survey party, and who finished the survey from Florence to Benson last week, have been ordered to Phoenix to make another survey for the same company.

The route to be surveyed is not known at this time, but it will in all probability be a branch from the main line. They expect to be gone from one to two months.

The best meeting held at Alma last night was not largely attended, owing to the fact that but few of the people knew of the appointment. This should be a lesson to them that they should take a home paper, for if they miss the benefits of this great sugar beet enterprise they can only blame themselves for it.

### FROM FOUR STATES.

Testimony to the Efficacy of the New Scientific Dandruff Treatment.

James C. Rowe, Livingston, Mont.: "Herpicide cured dandruff and stopped my falling hair."

Orange McCombs, St. Anthony, Idaho: "Herpicide cleaned my scalp of dandruff and made my hair soft as silk and glossy."

W. H. Otis, barber, Champaign, Ill.: "I used Herpicide on one customer for dandruff and on another for falling hair with excellent results."

Champaign, Ill.: "Herpicide completely stopped my falling hair."

J. J. Bentley, Sheridan, Wyo.: "Herpicide excellent for cleaning the scalp."

### COUGHS AND COLDS IN CHILDREN.

Recommendation of a Well Known Chicago Physician.

I use and prescribe Chamberlain's Cough Remedy for almost all obstinate constricted coughs, with direct results. I prescribe it to children of all ages. Am glad to recommend it to all in need and seeking relief from colds and coughs and bronchial affections. It is non-narcotic and safe in the hands of the most unprofessional. A universal panacea for all mankind.—Mrs. Mary R. Melendy, M. D., Ph. D., Chicago, Ill. This remedy is for sale by Elvey & Huett.

Never be miserly with sympathy for a crying baby or a sick man.

No one can reasonably hope for good health unless his bowels move once each day. When this is not attended to, disorders of the stomach arise, biliousness, headache, dyspepsia and piles soon follow. If you wish to avoid these ailments keep your bowels regular by taking Chamberlain's Stomach and Liver Tablets when required. They are so easy to take and mild and gentle in effect. For sale by Elvey & Huett.

When a slovenly, seedy man begins polishing his shoes with stove blacking he has reached the last stages.

### A GOOD COUGH MEDICINE.

(From the Gazette, Toowoomba, Australia.)

I find Chamberlain's Cough Remedy is an excellent medicine. I have been suffering from a severe cough for the last two months, and it has effected a cure. I have great pleasure in recommending it.—W. C. Wockner. This is the opinion of one of our oldest and most respected residents, and has been voluntarily given in good faith that others may try the remedy and be benefited, as was Mr. Wockner. This remedy is sold by Elvey & Huett.

### THE VITAL NERVES

When man begins to lose his energy and ambition—when his power and strength have diminished and nerve force wasted, there is a lack of electricity in the system. Nerve force is nothing but electricity. To become vigorous and strong you must properly apply electricity to your system. My Improved Electric Belts will put the necessary nerve force, vigor and power into you.

Dr. Bennett's Electric Belts must not be confused with the so-called electric belts being offered the public on the reputation of mine. Mine has soft, silent, chamois-covered sponge electrodes which do not burn and blister as do the bare metal electrodes used on other belts. My Belt has interchangeable battery cells and can be renewed when burned out for only 25c; when others burn out they are worthless.
